

DISCOVER HOW TO UNLOCK

the Ultimate Leadership *Ripple Effect*

Lisa's Keynotes

Team / Workplace Culture

Have Good Ripple Effect: Building Positive Team Culture

Most requested by organizations aligning culture, accountability, and results during periods of change or growth.

Engagement

Living in the Lab:

Building Engagement-Driven Teams

Most requested by organizations seeking to improve engagement, innovation, & retention by changing everyday leadership behaviors

Energizing, entertaining, and packed with humor—Lisa delivers actionable strategies that we can implement right away. She created just the right moment for our team to launch forward. She helped our audience take a step back and see the bigger picture of where and how a culture is built, how to create incremental impact that makes a lasting impact.

- Tara Feller, Director of Pharmacy, Froedtert Medical Center
